Thank you for coming to Exclusive Cabinetry.

Exclusive Cabinetry is Open and happy to service customers.

In light of recent developments with the Covid-19 outbreak, we are making modifications to how we service clients, while still respecting the wishes of our clients and staff to be as careful as possible while interacting during the sales process.

While much of the sales process can take place via email and phone, there are parts of the process where interaction with the showroom is required. We ask that you call ahead to make an appointment so that we have only one set of customer in the showroom at a time.

Hand wipes will also be made available and we recommend they are used when coming into the showroom.

To contact us to make an appointment or have any questions, please call us at 204-421-6840 or email us at contactus@exclusive-cabinetry.com.

Thank you and have a great day from the Management and Staff.
